## **Vision**

“To develop the college as centre of excellence imparting quality and value oriented higher education by adopting student centric methods for academic excellence and holistic development of students hailing from rural areas and different sections of the society”.

## **Mission**

“To nurture and foster an innovative academic environment for critical thinking, all round growth and continuous development of students to make them responsible and sensitized citizens of society”.

## **OBJECTIVES**

- To implement NEP 2020 as per the directions of the State Govt. and affiliating university to impart latest knowledge and skills to the students.
- To provide an atmosphere of learning and encouragement to students hailing from rural areas.
- To ensure adequate opportunities for academic and extracurricular engagements leading towards overall personality development.
- To create awareness among the students for national and regional problems through different academic extension activities so as to develop them as sensitized citizens of society.
- To sensitize the students towards nature and their inner self by conducting different activities.
- To prepare students to take their rightful place in society and contribute to national development.

***The college focuses towards achieving its vision by systematic development on the following lines:***

**1. INFRASTRUCTURAL AND LEARNING RESOURCES**
